Post Commander

Comrades:

Fall is upon us and along with it we have events coming up. First of All Our riders are having their annual Toys For Tots Ride on Sunday November 6th. I need Volunteers badly so that we may help them achieve their fundraising goal. I need 4 People at 6 AM at Kennedys Custom Cycles in Oceanside. We also need 3 volunteers to run the food booth (hand out sandwiches, chips and drinks) at 11 am for 3 hours and will also need 4 people at 3pm to help them break down. Please contact me directly by email at tonyazares1@yahoo.com or call me at 760-212-8533

On Veterans Day November 11th, there will be a Veterans Day Ceremony at the VANC building at 10 AM, after that is the Salute to Veterans at the Del Mar Racetrack. For 25.00 you receive VIP parking food and all 6 races, this is a great time to come out and support this great event that is for the Legion. We have tickets on sale at the VANC Building, see Chuck Atkinson.

With Thanksgiving coming quickly upon us, I wish you and yours a very blessed Thanksgiving.

Our Auxiliary will be serving breakfast before the general meeting on the 19th.

On Saturday the 5th of November we will be turning our clocks back one hour.

Mark your calendars the Post will be going Dark in December. The Post 146 regular and E-board meetings will not be held. There will not be a newsletter for December either.

Holiday Party this year the Riders have invited all Post, Auxiliary and Son's to join them in celebrating the Holiday season at their Christmas Party. It will be a Pot Luck Dinner and Gift Exchange at Rancho San Luis Rey Mobile Home Park. Please contact: **Ken Derr**, 760-272-5941, or capndirt1@cox.net for more information. 🍷

Tony Azares, Commander

From Harbor Days Chair

I would like to send out a big thanks to all our volunteers for helping make our Harbor Days event a huge success this year! I would also like to thank our friends, family, and Legion members who came out to show support. Business went so well that we actually ran out of food the first day and had to buy more. It was an even bigger success than last year. I couldn't have done this without your help, thank you!!!

Bianca Wylie

SAL Squadron 146

This month the Squadron had the pleasure of assisting the women of the Auxiliary in serving dinner to the Wounded Warriors on Camp Pendleton. To see the strength and resolve of these men and women is truly inspiring. When speaking with them, most have very specific goals or targets they are intent on achieving.

The Squadron hosted the fundraising breakfast prior to the monthly meeting. The breakfasts have been a success and more importantly a chance for the different parts of the Legion family to socialize prior to their meetings. If you haven't come, it's a good way to contribute to the various programs the Legion, SAL's and Auxiliary are involved in and get a good breakfast at the same time.

A particular big thank goes out to all who helped this past breakfast.

We look forward to helping the Riders with their Toys for Tots event. Last year was my first time seeing this. I was very impressed at how many diverse groups they were able to pull together for the event. I'm sure this year will be even bigger.

As always, please keep the SAL's in mind when you are talking to your eligible relatives and friends. We have increased our Roster, but still need more members who can participate in activities supporting the Post, Veterans and our community.

Yours in service, David Crone, Commander Squadron 146

Computer Corner:

By definition, “phishing” is the activity of defrauding an online account holder of financial information by posing as a legitimate company. **The goal is to get the recipient to click on an enclosed link. Many times this is obvious by looking at wording in the Subject line and/or the sender email address. For example, today I received a phishing email from USAA with the Subject line “Funds was transferred to your account”**(bad grammar) and the sender address was USAA< codewizard@aproject.com> (not related to USAA). However, some senders are more sophisticated and can actually hide the sender email address from view to make it look like it is from actual USAA sender. If in doubt, one can use the email program “view header” option to see the actual sender. The phishing activity also applies to Text messages, and they actually look like valid account notifications. My American Express account is set up to send a phone text message and email every time the card is used to spend more than \$10, and this occurs within 1 minute of using my charge card. If I get a notification at any other time, or a suspicious email related to my account (with words like profile or logon), then I will log into the account using my normal method; not the email or text message link. Maintaining a questioning attitude will help keep your financial accounts safe.

Community Service is a major outreach program of the Auxiliary since 1926, Community Service also demonstrates our longstanding commitment to supporting the work of American Legion posts and other organizations in providing assistance with blood drives, first aid and CPR training, child safety programs, support for women in shelters, & disaster & emergency preparedness programs. All community projects point toward improving life for our veterans and their families, and the most important Auxiliary Community Service projects involve making donations to & supporting shelters for homeless veterans. We all work this program either with the American Legion Auxiliary or at HOME on our own, **LETS START REPORTING IT!**
